Project title:

Strengthening Capacities for Higher Education of Pain Medicine in Western Balkan countries – HEPMP

Acronym: HEPMP

Project number:

585927-EPP-1-2017-1-RS-EPPKA2-CBHE-JP

Respected colleague,

Dear friends,

After four years of working on the tasks we set ourselves in HEPMP, we have reached the end. Although the last two years have been a great challenge due to the pandemic that has burdened the whole world, especially colleagues, anesthesiologists and other doctors who participated in its care, we still managed to fulfill the tasks we set ourselves through HEPMP, four years ago.

As practice and the project code dictate, we need to meet one more time, as part of the project activities. We need to organize the final meeting of the project consortium, as well as the final meeting of the project board.

A meeting will be held *the ceremonial hall of the Medical Faculty of the University of Belgrade, st. Dr Subotića no. 8.* on the

Friday, September 24, 2021.	
12:00-14:00	Welcome speeches by the Rector, Vice-Rector, Dean, Vice-Dean
	Introductory word of the project coordinator
	Recapitulation of project activities and presentation of achieved results for all universities in the project consortium
	Closing remarks

Saturday, September 25, 2021.	
09:30-10:30	Board meeting
	Discussion of the final report
	Sustainability of project results - opportunities for future cooperation
	Closing remarks
	End of meeting

The unpredictability of events related to the Covid-19 pandemic certainly conditions all potential activities. If there is a deterioration and impossibility of physically holding the meeting and the arrival of delegations in Belgrade, an online meeting will be held as an alternative.

I sincerely hope that you will find time to increase this gathering with your presence

Sincerely,

Project coordinator,

Prof. Predrag Stevanović

Poštovane kolege,

Dragi prijatelji,

Posle četiri godine rada na zadacima koje smo sebi postavili u projektu HEPMP, stigli smo do kraja. Iako su poslednje dve godine bile veliki izazov usled pandemije koja je opteretila ceo svet, a posebno kolege, anesteziologe i druge lekare koji su učestvovali u njenom zbrinjavanju, ipak smo uspeli da ispunimo zadatke koje smo sebi kroz HEPMP postavili pre četiri godine.

Kao što to običaj i projektni kodeks nalaže, potrebno je da se sastanemo još jednom u okviru projektnih aktivnosti. Treba da organizujemo završni sastanak projektnog konzorcijuma, kao i završni sastanak borda projekta.

Sastanak će se održati u svečanoj sali Medicinskog fakulteta Univerziteta u Beogradu, ul. Dr Subotića br. 8, i to u

Petak 24og septembra 2021.	
12:00-14:00	Pozdravne reči rektora, prorektora, dekana, prodekana Uvodna reč projektnog koordinatora, Rekapitulacija projektnih aktivnosti i predavljanje ostvarenih rezultata za sve univerzitete u projektnom konzorcijumu, Završna reč.

Subota, 25og septembra 2021.	
09:30-10:30	Sastanak menadzment borda projekta Diskusija o finalnom izveštaju Održivost projektnih rezultata – mogućnosti buduće saradnje Završna reč Kraj sastanka

Nepredvidivost događaja vezanih za Covid-19 pandemiju svakako uslovljava sve potencijalne aktivnosti. Ukoliko dodje do pogoršanja i nemogućnosti fizičkog održavanja skupa i dolaska delegacija u Beograd, kao alternativa će se održati online sastanak.

Iskreno se nadam da ćete naći vremena da svojim prisustvom uveličate ovaj skup.

Iskreno,

Projektни koordinator,

Prof Predrag Stevanović
